## How to make your very own **Stories for My Little Sister** playing cards

1. Start by printing out the following file:

<https://www.storiesformylittlesister.com/extras/card-games/playing-cards.pdf>

It's best if you can print it out in colour on light card.

It will look like this:

In the file there are eight families of cards, with four cards per family.

The families are:

- Annabella (aardvark);
- Corduroy and Velvet (hedgehogs);
- Moochie (turtle);
- Pink Ethel (elephant);
- Squeaks, Megan and Cornelia (mice);
- Stinky and Big Pong (skunks);
- Tuppence and her parents (penguins);
- Watson and Cricket (lorikeets [that's the type of bird they are!]).
