Memory Puzzle No. 1

CORDUROY SPIKE-PRICKLES

Do you remember when Corduroy Spike-Prickles hid in a girl's bag on the bus... and sneezed his way out in the department store? One of the pictures in the story gave you a peek inside the bag. Did you notice what was there (other than our favourite hedgehog)?

The Challenge: Test your memory and see if you can draw all the things that were in the bag on to the picture on the next page!

Can't quite remember?

- A list of the things in the bag can be found at:
www.storiesformylittlesister.com/extras/memory-puzzles/corduroy-spike-prickles/inside-the-bag.pdf
- The picture from the story can be found at:
www.storiesformylittlesister.com/extras/memory-puzzles/corduroy-spike-prickles/corduroy-in-the-bag.pdf
- The full story can be found at:
www.storiesformylittlesister.com/books/corduroys-christmas-adventure.pdf

Once you've finished drawing, why not colour in your picture?

Try to remember the colours from the story... or choose your own colour scheme!
